

FB16-09: Bill to Approve Newly Created Contracted Independent Organizations

Sponsored by: MacKenzie Hodgson, Vice President for Organizations

Whereas, groups that are seeking CIO status need to be approved by the Representative Body at the advice of the Vice President for Organizations;

Whereas, the groups have created a Constitution, Business Plan, and meet the requirements for becoming a CIO:

1. At least 51% of the group's members must be students
2. The group's officers must all be full-time, fee-paying students
3. The group must keep an updated copy of its constitution and a list of its officers on file with Student Council
4. The group must have signed a Contracted Independent Organization agreement, and have agreed to the non-discrimination policy
5. Submitted a proposed business plan describing the operational logistics of the potential CIO;

Whereas, being a CIO allows groups to apply for funding, reserve on grounds rooms, and have other advantages not conferred upon non-CIO groups;

Whereas, the Vice President for Organizations has made the following recommendations regarding CIO Approval to the Representative Body;

Therefore be it enacted, the Vice President for Organizations seeks approval of the following recommendation for CIO status from the Representative Body:

AFFIRM

Women in science and medicine face unique challenges and obstacles that can hinder career advancement and overall success. We are an organization devoted to supporting the women of UVA's MSTP.

Profit with Purpose

At Profit with Purpose we teach by doing. Beyond teaching core fundamentals, and connecting members with professionals in the impact investing industry, we hope to simulate the investment process. Our initiative looks for members from all majors, aims at helping beginners and experienced impact investing enthusiasts, and seeks to work closely with all other social entrepreneurship ventures on Grounds. We hope to provide alternative career opportunities for students who are passionate about social, environmental, and financial impact.

Buffalo Bureau

The Buffalo Bureau coordinates with the Tom Tom Foundation to create entrepreneurship, innovation, and founding events tailored to UVA students and the Charlottesville community.

Waffle Wednesday

Promoting the art of waffle making and encouraging a stress free, non academic environment where members can escape the fast paced daily life of students and enjoy good waffles through once weekly meetings

Unsung People

Unsung People is a non-profit initiative that collects and shares stories of random acts of kindness from around the world. In addition, UP recognizes those who perform these random acts of kindness.
